Hi Jill and Bill,

Martha and I forwarded the attached PowerPoint to Oregon to help understand how the 303d vision/goals can be incorporated into the NPS plan development. Just in case you don't have the PowerPoints already, I am passing them on....

As requested, I have attached the presentations given on the NPS and 303d integration through implementation of the new vision/goals. The first one is from the NPS program perspective.

Below is a link to the website that contains the vision/goals document.
